Description

Hanging Closet Organizer 6-Shelf, Hanging Shelves for Closet with Side Pockets, Hanging Shelf Organizer for Bedroom or Garment Rack

Do you need more space to store your clothes or children's essentials?The Pipishell hanging closet organizer is a great solution to store items neatly and out of the way.

HIGH QUALITY:

This hanging closet organizer is made from a very durable and thick non-woven, this is built to last. Unlike some similar product, this one has a bamboo insert at every opening and has MDF board at top & bottom

SUITABLE

The closet hanging storage allows you to have more space in your closet. It has six shelves units. This shelf organizer is suit for people who need more storage, but they do not have space in their closet. Also, it is for people who want to use their space more efficiently

PERFECT STORAGE SOLUTION Space Saver:

The design allows for easy hanging with cubby spaces as well as side pockets for smaller items that are often hard to find. It makes organizing so easy but does not take up much space at the same time

Instant Visual

Instant Visual-Fully opening- Makes loading and unloading a breeze. It will save you the trouble of retrieving from top shelf to get a peek, and at the same time avoiding duplicate purchases.

Convenience

Six compartments to set out your clothes ahead of time. Check the ten-day weather forecast, and set out your clothes for the week in this terrific hanging sorter. Saves you lots of time in the morning
